

Magocard printers

## Rio 2e

Single-sided ID card printer  
ideal for high volume card  
output

Kalamazoo recommend a range of ID card printers ideal for the personalisation of cards for a wide range of identification purposes.

This range of printers is fully compatible with Kalamazoo's PositivID solution and together they will provide a robust and reliable ID card printing solution.

We can supply printers to suit a variety of environments, from low volume to high volume card issuers, single or double-sided print and full colour or monochrome.

### Single-sided ID card printer

The industry work horse dye-sublimation printer is designed to effortlessly handle all volumes of card output.

Fast, easy-to-use and reliable, the Rio 2e features the patented HoloKote™ high security system to help ensure cards cannot be cloned. With this model you can also customise the HoloKote pattern to your logo and text.

For further security the Rio 2e can also incorporate the HoloPatch™ - a highly visible gold seal using special card stock.

For extra protection the Magstripe, smart card, MiFare, iclass encoding options are also available.

As standard the Rio 2e printer will print edge-to-edge (full bleed) and prints full colour within 22 seconds and monochrome in six seconds.

All printers within the Professional range are covered by the 3 years UltraCoverPlus warranty.

### Printer specifications

#### Printing

Print technology - Dye sublimation

Print speed - 22 seconds colour, 6 seconds monochrome

Card thickness - 0.51mm to 1.6mm (20mil to 63mil)

Card capacity - 100 card feed hopper, 50 card output stacker

#### Consumables

Dye film -

LC1: 350 image YMCKO, dye film

LC3: 1000 image monochrome resin dye film (range of colours)

LC8: 600 image KO dye film, (black resin and overcoat)

Laminates - N/A

Cards - All standard PVC ISO CR80 cards. HiCo mag stripe and HoloPatch available.

#### Security (Use driver settings to activate HoloKote)

Security watermark - Standard or custom HoloKote®

Gold seal - HoloPatch® cardstock - ordered separately

#### Encoding (Please specify when ordering)

Magnetic stripe - HiCo and LiCo encoder ISO std. 7811 (Optional)

Smartcard encoder - Chip contact (Optional)

Prox. card (contactless) - Various contactless smart card options available

#### Printer

Printer interface - USB rev.1.1 (USB 2.0 compatible)

Drivers / software - Windows 2000, 2003, XP and Vista

Dimensions - Rio 2e (Part no. M9006-749): Rio M 2e (Part no. M9006-751)  
370mm W x 233mm H x 194mm D  
(14.5" W x 9.1" H x 7.6" D)

Warranty - 3 years UltraCoverPlus warranty (EU, North America and selected other territories).
